

WE ARE HIRING!

JOIN OUR TEAM!

Smith Jenkins Planning & Heritage are seeking a Consultant / Assistant Consultant to join our Heritage & Townscape team in our London Bridge office. This is an excellent opportunity for a driven heritage professional to further develop their career within a consultancy recognised for delivering high-quality, client-focused work and fostering a collaborative team culture.

CONSULTANT / ASSISTANT CONSULTANT

As a key member of the team, you will support an expanding portfolio of work that includes Heritage Statements, Heritage, Townscape, and Visual Impact Assessments, Environmental Statements, Pre-Purchase Due Diligence, and Local Plan Representation. We're seeking someone who is passionate about shaping the future direction of the business and contributing to its growth.

WHY WORK WITH US:

We offer a welcoming and inclusive environment, a market-competitive salary and excellent benefits, which include:

- Payment of RTPI and other professional fees
- 28 days of annual leave
- Flexible working arrangements
- A structured CPD programme
- Access to wellbeing and employee assistance programmes

We're also offering a salary uplift for candidates who apply to us directly rather than through a recruitment agency.
